make and quality of their Billiard Tables, and while thanking their Friends and Patrons

While thanking their friends and patrons in China for the liberal support so long extended to their firm, would, in soliciting further patronage, beg to mention the following, a few which have been conducted to the success their efforts have hitherto met with.

Every table is made of solid wood, well seasoned and not enervated.

The Cushions are constructed on an entirely new principle, introduced by C. L. and Co. and unlike that adopted by English makers and are much more durable and lively than English-made cushions.

No table leaves O. L. and Co.'s premises unclean, it has been standing ready finished for over twenty years, in order to ensure perfectly seasonable material.

Every article of furniture, also, that leaves C. L. and Co.'s Establishment, is guaranteed of Solid and Seasoned Wood.

O. L. and Co. have always ready a large stock of new Cushions on their peculiar principle, to which can be supplied for any table, the exact length and breadth of the slate bed and being required.

O. L. and Co. have always in hand a large stock of Billiard, Pool and Pyramid Balls, for Tipps, Chalks, Cloth, and every requisite for the Billiard Table.

Old Cushions renewed on C. LAZANUS
